A Message from our President

One hundred years ago our Congregation purchased the property on the corner of Plum and First Street for \$7,000 for the purpose of building a synagogue. Beginning with a fund of \$6,000, the forty members of the congregation raised \$23,000 among themselves to begin construction. That is worth over \$380,000 in today's dollars.

We owe it to this important institution, what it has meant and what it will continue to mean for generations to come, to honor their vision and their commitment.

During this special anniversary of the purchase of the property where our Synagogue stands today, we need to make the same commitment to keep their vision alive. Please make a special donation to the Annual Fund this year. Every member should make some contribution; this congregation is the responsibility of all of us.

We have a dynamic number of new members engaged in a level of participation that reaffirms the founders' vision. Be a part of that vision as generously as you can.

To: The wonderful Hamish Jewish Community in Middle Georgia
The warmth and love that is part of this community is staggeringly wonderful.

Thank you all for 33 fantastic and enjoyable years as part of the CSI community. Thank you for the display of warmth and affection, and for the honor you have bestowed upon us. Thanks especially to all of my students who showed up and came up to the Bimah at the end of the Shabbat Service. **Never have I felt so humble.**

Todah Rabbah to all the wonderful families at CSI who contributed to the plaque. The gesture is truly appreciated. I apologize for not yet having written personal notes. After downsizing from a full-size house to a little cottage-on-the-lake, what's left of our "stuff" is still in storage. The cottage up here is still being fixed from the freeze damage it incurred several years ago, and won't be done for about another month. Our new career, that of full time Zaydie/Bubbie, chauffeur, and babysitter, is the most demanding of all previous activities. From the day we arrived, I haven't had a day off, the hours are long, and the challenges are tougher than anything my old employers ever threw at me; but the rewards far surpass anything I ever earned. No, it doesn't pay the rent, but it keeps us warm.

So, to all of our friends down where it's hotter-than-here (it was 39 degrees two mornings ago), we would simply to say Todah Rabbah and L'Shannah Tovah.

All our love,

Jay and Lynn Freedman
